

Pensteel IBC Filter

IBC Funnel Filter – Type IBCFL

The IBCFL is designed to provide a simple way to collect and filter liquids.

Manufactured from polyethylene makes the funnel easy to clean and compatible with a wide range of liquids.

The large top section allows liquids to collect easily from drainage pipes or outlet pipes.

Height (mm)	150
Diameter (mm)	640
Weight (KG)	4.0
Colour	Yellow
Material	Polyethylene

The funnel features a ribbed top section, allows larger particles (such as leaves etc.) to be filtered out, before the liquid flows down into the 50mm spout which features a smaller filter to remove smaller particles that remain.
